The Vista offers many features to meet modern family requirements.

Combining elegant spatial flow and intelligent separation of private spaces, there is room for every member of the family.

At the heart of this home is the open plan living area with kitchen, dining and family spaces that open out onto a large alfresco area, perfect for the family to come together or to entertain guests. The kids zone at the rear of the home and the lounge room to the front provide separate spaces to retreat, relax or play.
