Parkview

The Parkview design offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences.

With enough space and versatility to keep your growing family happy, now and for years to come, the Parkview Designs, exclusive to G. J. Gardner Homes is the smart solution.

The front of the home provides the main living areas with a family room as the central hub of the house where everyone can come together. When personal space is needed this home provides for that too, its flawless composition making individual retreat easy. A separate lounge room features at the front of the home while a kid's zone towards the back provides additional spaces to entertain and relax. The back of the home is the private family zone with bedrooms, family bathroom and parents master retreat.

Parkview Designs bring together all the features of the most inspired homes and then masterfully combine them under one roof.
