The Pacific Express design offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences.

Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve!

One of our most space-efficient home designs, the Pacific Express features a clever floorplan that makes the most of family life.

A welcoming foyer opens onto the private master bedroom with stylish ensuite and walk-in robe. As you walk down the hall, you'll pass a large media room before entering the heart of the home – a spacious, open-plan living space comprising kitchen with breakfast bar that flows naturally to the dining and family room before opening onto the outdoor alfresco area. Three remaining bedrooms share a stylish bathroom and central activity room.

Taking inspiration from the simple pleasures in life, the Pacific Express lets you easily enjoy life just the way it should be lived.
