Forest Park

The Forest Park design offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences.

The G.J. Gardner Homes Forest Park design range seamlessly blends the relaxed comfort of a family home with the modern conveniences of a contemporary urban lifestyle.

Designed with families in mind this design boasts plenty of living space including a separate kid's zone with central Activity and Study. The master suite is privately located to the rear, completed with Ensuite and Walk in Robe.

The heart of the home is a spacious, open-plan kitchen, living and dining area with butler's pantry that continues outdoors to a covered Alfresco creating the ideal place for the family to relax, connect or entertain.

Featuring four bedrooms, two bathrooms, a study and three separate living areas, the Forest Park has everything the growing family needs.
