CLASSIC

The Newstead has been designed for wider home sites, creating an impressive frontage.

With a huge undercover alfresco and optional verandah that runs around most of the home, it's perfect for all-year-round outdoor entertaining. The master bedroom includes its own ensuite with a double vanity and huge walk-in robe and is privately located to one side of the home. Three further bedrooms, two with walk in robes, as well as a large bathroom with separate toilet is then located at the opposite side of the home. The center is filled with an abundance of living spaces, an open plan family and dining room combine with the stylish kitchen which includes a walk in pantry. A separate lounge and games room have been added to the home to create extra opportunity and functionality.
