

The Mansfield.

Allow yourself to imagine the lifestyle you've always wanted, in the home you deserve!

The six-bedroom Mansfield boasts a pod-style design that creates three separate living zones.

The home is centred on a modern kitchen with a large butler's pantry, which overlooks the family living and alfresco areas.

To one side is a designated kids' zone with four bedrooms and an activity room, while to the other you'll find a formal lounge and dining area, and a private master retreat with luxury ensuite and huge walk-in robe. Add a study and guest room with ensuite and you have everything the large family needs.

The Mansfield offers individually crafted façades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences.
