Four spacious bedrooms and three elegantly flowing living zones make the Longreach design a functional home with a comfortable feel.

Abundant with flexibility to cater for your changing needs and beautifully thoughtout inclusions, all rooms come together to create a relaxed and enjoyable environment for you, your family and your guests.

The large alfresco area that sits off the open plan living and borders the generous master suite with walk in robe and ensuite is the heart of the home. From entertaining to movie nights in, it offers a sense of serenity and life. Adding separate zones with an activity room and media room, means there's always a retreat to escape to - it's these extras that make the Longreach design the perfect home live and grow in.
