

Dayton 2861

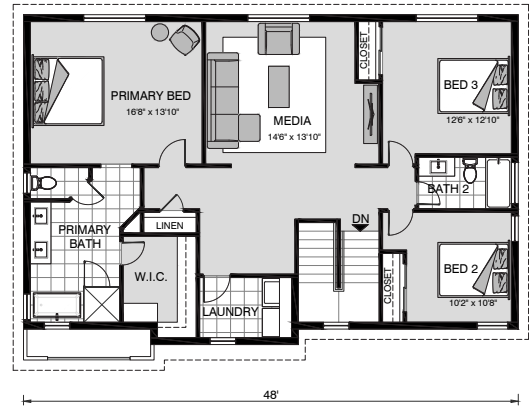

🛏️ 4 | 🚿 3 | 🚗 3

With enough space and versatility to keep your growing family happy, now and for years to come, the Dayton is the smart solution.

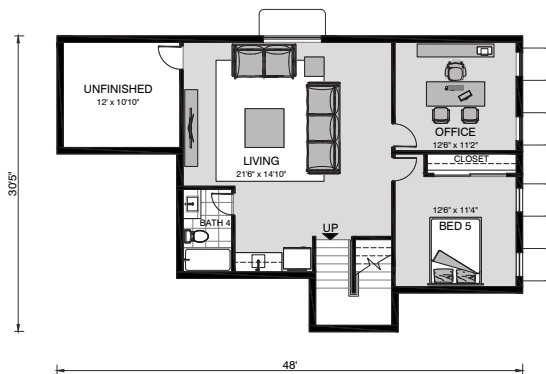

The kitchen is part of an open concept design flowing perfectly into the family and dining area. Head upstairs to find the remaining bedrooms and a second living area or media room. The left wing includes the private primary suite complete with dual vanities, shower, soaking tub, walk-in closet, and water closet. Upstairs you'll find a full bathroom and two additional bedrooms, providing a perfect private space for the kids or guests. This home also has an optional basement that can be customized to suit your needs.
